

REMARKS/ARGUMENTS

Applicant acknowledges the Examiner's Notice of Allowances dated July 29, 2010 and November 22, 2010, respectively. Claim 1 above replicates allowed claim 68 as modified by the Examiner (see page 2, Examiner's Amendment, Notice of Allowance dated July 29, 2010). Applicant notes that the Examiner renumbered allowed claim 68 as claim 1 in the Notice of Allowance dated November 22, 2010. As such, the newly added claims are numbered claims 2-20. Applicant respectfully requests consideration of this amendment.

New claims 2-20 are re-numbered claims that were previously presented, all of which depend from allowed claim 1. No new matter has been added.

Applicant respectfully submits that the claims are in condition for allowance, timely notification of which is kindly requested.

Authorization is given to charge Deposit Account No. 50-3581 (GUID.119PA) any necessary fees for this filing. If the Examiner believes it necessary or helpful, the Examiner is invited to contact the undersigned attorney to discuss any issues related to this case.

Respectfully submitted,
